Job description  
Alternative

UK: Important: Use the component overview to find the parts that are included in the cabinet you are about to assemble.

DK: Vigtigt: Brug komponent oversigten til at finde delene som indgår i skabet, du skal til at samle.

NO: Viktig: Bruk komponentoversikten for å finne delene som inngår i skapet du skal til å montere.

SE: Viktigt: Använd komponentöversikten för att hitta de delar som ingår i skåpet som du ska montera.

DE: Wichtig: Bitte verwende die Montageanleitung, um die zum Schrank gehörenden Teile zu finden.

NL: Belangrijk: Gebruik het onderdelenoverzicht om de onderdelen te vinden die bij de kast horen die u gaat monteren.

FR: Important : Utilisez la liste récapitulative des pièces pour identifier les éléments inclus dans le meuble que vous êtes sur le point d'assembler.

ESES: Importante: Utiliza la vista general de componentes para encontrar las piezas que forman parte del armario que vas a montar.

ESCAT: Important: Utilitza la visió general dels components per trobar les peces que formen part de l'armari que està a punt de muntar.
